

CAPABILITY STATEMENT

ABOUT US

DefendEdge was established in 2017 with the vision of being an industry leader in the Cyber Security domain. Since its inception, DefendEdge has grown into a mature Managed Security Services Provider (MSSP). The company offers diverse cybersecurity services to support customers across financial services, healthcare, retail, energy, education, and government sectors, which allows the company to understand complex and unique industry challenges. DefendEdge operates a 24/7/365 Security Operation Center (SOC) specializing in Managed Detection and Response (MDR) services.
